## Searching for Technical Support Contact Information

If you search Google, MSN, Yahoo or any other search engine for Technical Support phone numbers, you will NOT get the correct number you are looking for. Advertisers pay to be put above the real information. Here are the phone numbers for the big guys.

Microsoft Customer Service: 1-800-642-7676

DELL: 1-800-624-9896

HP/Compaq: 1-800-474-6836

Toshiba: 1-800-457-7777

If you need a phone number, go to the manufacturer's web site!
